

## DECEMBER 1

Hello, my darlings, I have missed you so!  
And while I remember how you used to know  
About holiday traditions around the whole planet,  
I'd love to learn more about your unique plan, yet.  
Yes, what are you planning for all through this month?  
Will a tree come indoors, or will mummers turn up?  
Share your traditions, and let's learn some more  
I've been gone a lot longer than I have cared for.

## DECEMBER 2

Knock Knock  
Who's there?  
Icy  
Icy Who?  
Icy a kid who needs a good belly laugh!

Everybody loves to laugh! Today, let's find a way to share  
a laugh with someone. Maybe we can think up some jokes  
together!

## DECEMBER 3

Before you were up, I worried I was *Home Alone*,  
But then I remembered that *It's a Wonderful Life*, and you wouldn't  
leave me on the sh-Elf!

Let's watch your favorite holiday movie today, and don't forget the  
snacks!

What makes you love this movie? Can you imagine it happening in  
your life? How would your friends and loved ones react in this  
situation?

## DECEMBER 4

As a young little frog, I sat on a log.  
A Bûche de Noël, which we baked in the bog.  
A yummy Yule log made of icing and cake,  
that we made every winter, with extra to take  
and to share with our friends to spread our good cheer.  
Is there something your family makes special here?  
Let's think up a holiday treat we can share  
To show someone special just how much we care.
